

## **ISAH-membership fee 2010-2011**

There will be an opportunity for all congress participants to become member of ISAH for the next 2 years. There will be an ISAH-information desk close to the registration desk open for that purpose during all congress days. You can find there the first information about the next congress in Vienna in 2011 as well. The membership fee for 2010 and 2011 is € 40,00 and have to be paid in cash at the desk. So please take care that you will have some Euro's available on registration.

**All members of ISAH are kindly requested to renew their membership for ISAH for the next 2 years at the congress venue in Vechta as well.**

It is expected that there will be a discount on the congress fee in Vienna in 2011 for the members of ISAH as usual.
